Additional Change/Cancellation Fee Information:

When we assist in arrangements outside of the normal pilgrimage package and minimum work is required, this will be done at no charge. This does NOT include any cancellation fees charged by 3rd party affiliates.

INSURANCE: Travel insurance is **NOT** included in the tour price. Because of the cost of medical care outside the United States, the fact that Medicare does not provide coverage outside the United States, the possibility that your own insurance provider may not cover you outside the United States, and due to the potentially high cost of escorted air evacuation, travel insurance is recommended. Check with your current insurance company or AAA for travel insurance options.

RESPONSIBILITY AND LIABILITY: For all land arrangements including surface transportation: Franciscan University and the participating COR Operators operating the land tours act only as agents of the bus operators, sightseeing contractors and others that provide the actual land arrangements and are not liable for any act, omission, delay, injury, loss, damage or nonperformance occurring in connection with these land arrangements. Any carriers and other transportation companies whose services are used to get to or used for this pilgrimage are not to be held responsible for any act, omission or event during the time passengers are not on board their conveyance. The passage contract in use by COR when issued shall constitute the sole contract between the companies and the purchaser of these tours and/or passage.

LAND ARRANGEMENTS: Franciscan University of Steubenville reserves the right to change the itinerary because of emergencies or extenuating circumstances beyond our control.
